CAFÉ AND CRAFT, HARVEST PICNIC,
DUNKERTON QUIZ**

Sunday 2 June (11:15) sees the return of **Café & Craft** - this time in the churchyard if it's fine, or in the church if not. Whether you are an adult or a child who likes making things or chatting over coffee, do join in.

Rev. Tony Roake may have been with us for only six weeks, but we are already beginning to see the signs of his enthusiasm and creativity. By the time you read this, some of the younger residents will have joined Tony on the cricket field for a **Friday evening Dunkerton Dynamos** football session and plans will be afoot for a Sunday morning **Gone Fishing** expedition on Cam Brook (**Sunday 7 July**).

Last year's **Harvest Sausage Sizzle** in the Mander's Orchard will be repeated on **Sunday 1 September** by popular request – let's hope the weather is as good as it was last year and we can all enjoy a picnic while raising money for Send a Cow.

UPDATE ON RURAL TRANSPORT AND BUS SERVICES THROUGH TUNLEY

from David Orme

As part of the discussions seeking to secure improvements to the bus service through Tunley there have been efforts to de-conflict the timetables of the 179 and 768 services. We have recently received some news on this from BANES. It's not perhaps what we would want to hear but at least we are being told where we stand and what is likely to change (or not) in the short term. More news will follow as it happens. Here's a summary of the latest advice from BANES:

"[We] said some months ago that we'd look at the 768 timetable to see if it could be adjusted to avoid clashes with 179 but we've concluded it can't without a major recasting of the timetable. The main purpose of the 768 route is to provide a bus service on 5 days a week for Camerton,

Clandown, Priston and Englishcombe. It is the only bus service those villages have. The reason it goes into Timsbury is to serve the Greenvale Drive area and provide a link from there to Radstock and Midsomer Norton. Moving the time of one journey on the 768 timetable would have a knock-on effect over the whole day, so it would be a major change.

Over recent years, 768 has been changed several times – principally in reaction to changes that First made to 179 whilst it was a commercial service – and the current timetable seems to meet the needs of the villages which rely on it.

We are out to tender for a new 179 contract at the moment and, as you know, the award of any new contract will depend on what prices we get from the market vs what budget we have available."

Dunkerton WI

The meeting started with the good news that Judy was making good progress. In her absence Carol took a turn at being our President for the evening.

The minutes were read for the previous month's meeting and then we were amused to hear the minutes read of the WI meeting held in Dunkerton School, now the Parish Hall, in April 1939. A talk had been given by a Miss Rees Mogg who was then asked to judge a competition for the best hand-made nightdress costing no more than 5 shillings, today's equivalent being 25p. In a far more leisurely time without modern day distractions, it is perhaps not so surprising that there were many entries.

Three of our members will be attending the National Conference in Bournemouth in June when amongst other things, resolutions to be debated will be based on encouraging women to test for cervical cancer and retaining local bus services. Our membership discussed both subjects, voting positively for both.

The evening finished with a quiz based on food and drink which proved to be much harder than it sounds. Do you know what makes Windsor cheese red?

Thank you. Dunkerton W.I.

TUNLEY NEWS

Moon, Stars and Soup

The stars and the moon came out for Tunley in May. Local astronomer Ian Stratton gave a fascinating talk about the history of astronomy, what's happening with space exploration now and as the sun went down rounded the evening off outside with a close up view of the moon. Then, we all nipped back into the TRC for soup supplied by The King William. Big thanks to Ian and everyone who made this a fun and informative evening. It was out of this world (sorry!).

Spring Exhibition Wows Visitors

Creators of a broad spectrum of arts and crafts were represented at this diverse annual show at Conygre Hall, Timsbury: watercolour artists, acrylic artists, textile printers, potters, felters,

glass workers, jewellers, calligraphers, and more.

Visitor Maggie commented: "*Inspiring - made me want to start drawing*"; and Mandy said: "*Enlightening and uplifting. Thank-you to Jane for the marvellous workshop*".

An unusual art form was presented by Anna Hurwitz, who sculpts interesting items with treated vegetables combined with other materials – see her aubergine shoes!

A number of the craftsmen demonstrated their creative talents, and visitors were able to try these skills out for free: Sgraffito - a technique used by Jo Eddleston to create her amazing glass work. Mixed media using textiles & stitch with Jane Woodman, Calligraphy with Lucy Empson and Copper Cutting & Stamping with Sophie Piddock. Thanks to Timsbury Parish Council for their sponsorship of these taster sessions.

Karen George, the group chair, said: "*We have had a large number of very positive comments from our visitors about the exceptionally high quality of the work on display and the range of talents represented within our group.*"

Our November Arts Trail weekend, 2nd & 3rd, will include some free workshops and demonstrations in various arts and crafts, for example: drop spinning, acrylic painting, lino print cutting and calligraphy. Visit the Group's web page www.camvalleyartstrail.co.uk or find us on Facebook, Twitter or Instagram. Registration for the autumn trail opens 1st June

for interested artists and crafters who produce their own original work.

Press Release from Camerton and Peasedown Croquet Club

More Croquet Celebrations at Camerton and Peasedown

This year has been successful from the start: - we now have more members who are enjoying their croquet and taking part in our competitions – we have won our first round of matches (well done teams)

We have also celebrated National Croquet Day (NCD) on 12th May - an opportunity to highlight the fascinating and increasingly popular sport of croquet, where, using a long handled mallet, you hit a series of balls through a series of hoops. We welcomed a number of visitors and friends from other local clubs so, just before a welcome cream tea, we spent the afternoon playing our favourite sport

Croquet's a sport enjoyed by people of all ages, skills, abilities, and men and women play on equal terms. Do not let 'I'm not so mobile as I used to be' stop you from trying this sport. After a short introduction, you'll be having a game with other players

If you are looking for that 'competitive edge' then croquet is also for you. Do not think that croquet is just a gentle game – even when playing socially you'll see players with that 'glint in their eye' that says 'I want to win'!!

Camerton and Peasedown have a number of teams that play against other local clubs. Many of our players also take part in Regional and National Competitions. The club includes National winners and finalists – so come and find out more

'We have an open door policy, so anyone can come and try croquet for themselves – the first

visit is always free and all equipment is provided, just bring flat soled shoes. Our qualified coaches will introduce you to this sport and you'll soon be taking part in a game with others. Why not contact me on 07970 922867 to arrange your own croquet experience? said Mo Boys (Club Chair) – 'we look forward to hearing from you soon and follow us at

Compton Dando Open Gardens – and more

A chance to satisfy one's inquisitive side on Sunday June 16th!

Visitors can find out what people get up to in their private gardens - by visiting the gardens of the villagers in the centre of Compton Dando. For those who have a garden themselves, this is an opportunity to gain ideas as to new plants, new planting arrangements, or see what not to do, maybe.

The gardens in the centre of Compton Dando, a village on the river Chew, a few miles south of Keynsham, include larger more formal designs, a flower farm, and small courtyard gardens. These can be viewed in the afternoon (2-6 pm) with a single entry charge of £5 per person, payable on entry to the first garden chosen. Accompanied under 14s are free. There will be free parking in the field at the

top of Court Hill, just beyond the junction of Cockers Hill and Rankers Lane, and opposite the garden of Court Hill House.

Further attractions on the day include teas for sale in the Church, where there will also be an Art display. In the Parish Hall, there will be items for sale including plants, flower arrangement accessories, cards by a local artist, and locally produced apple juice. If the weather is fine, there will be a display of classic cars on the Green (between the river and the pub).

For youngsters there will be a couple of extra activities as they go around the village and gardens: they will have the option of filling in a sheet with specific things spotted as they go around, and/or create a 'journey stick' where they attach loose items they pick up, to remind them where they've been on their journey through Compton Dando.

Please visit www.compton-dando.org or phone Sarah Wilson on 07836 201611 for more information. On the day, properties with open gardens will be identified by balloons at their gates, and maps will be available from the garden sites.
