## Wellow Church and Parish News

### January 2026

“All creatures look to you” by Matthew Street, The Vicar, based on Psalm 104:24-34

*How many are your works, Lord! In wisdom you made them all; the earth is full of your creatures. There is the sea, vast and spacious, teeming with creatures beyond number—living things both large and small. There the ships go to and fro, and Leviathan, which you formed to frolic there. All creatures look to you to give them their food at the proper time. When you give it to them, they gather it up; when you open your hand, they are satisfied with good things. When you hide your face, they are terrified; when you take away their breath, they die and return to the dust. When you send your Spirit, they are created, and you renew the face of the ground. May the glory of the Lord endure forever; may the Lord rejoice in his works— he who looks at the earth, and it trembles, who touches the mountains, and they smoke. I will sing to the Lord all my life; I will sing praise to my God as long as I live. May my meditation be pleasing to him, as I rejoice in the Lord. (Psalm 104:24-34)*

Psalm 104 is a hymn of wonder. It paints creation not as a machine, but as a living symphony — mountains rising, springs flowing, trees nesting, lions roaring, and humans working until evening. Everything is sustained by a single open hand. The psalmist sees what we often forget: creation depends not on human effort but divine generosity.

“All creatures look to you.” From the smallest insect to the mightiest whale, from the robin at the window to the person at the desk — all depend on God’s breath and provision. When He opens His hand, life flourishes; when He withdraws it, life fades. Our existence is not self-sufficient but gifted.

In a world driven by productivity and control, Psalm 104 invites us to humility and gratitude. We are not owners, but stewards; not creators, but caretakers. The air we breathe, the food we eat, the light we see — all are borrowed blessings.

# Sunday Services in January

Ask the Animals...

## Sunday 4 Jan. 10.00 a.m.

**Talk:** All creatures look to you - Psalm 104

**Leader:** Andrew Avramenko

**Speaker:** Rachel Howlett

This psalm also reminds us that creation itself worships. The mountains sing by their stillness, the rivers by their movement, the trees by their growth. To live gratefully, reverently, and responsibly is to join the chorus of creation praising its Maker.

Perhaps the challenge is not to make the world praise God, but to notice that it already does — and to add our voices to the song.

## Church News

On Sunday 14th December we held our Christingle service. Run by the All Age Worship team, this was a lovely service though it would have been nice if there had been a few more families there.

On Sunday 21st December we had our Carols by Candlelight service, As usual, the church was full and looking its best. We were very grateful to the wonderful Wellow Choir for leading our singing as well as singing a beautiful anthem. Our thanks to the readers and also to David Hyatt who played the organ for us.

On Christmas Eve there was a pop-up Nativity. Organised by Rachel, Kim, Alice and Pam from the AAW team, it was very well attended as was also the morning praise on Christmas Day. I was sorry to miss it as I was away but everyone has said it was wonderful.

*Jane Rees, Church Warden*

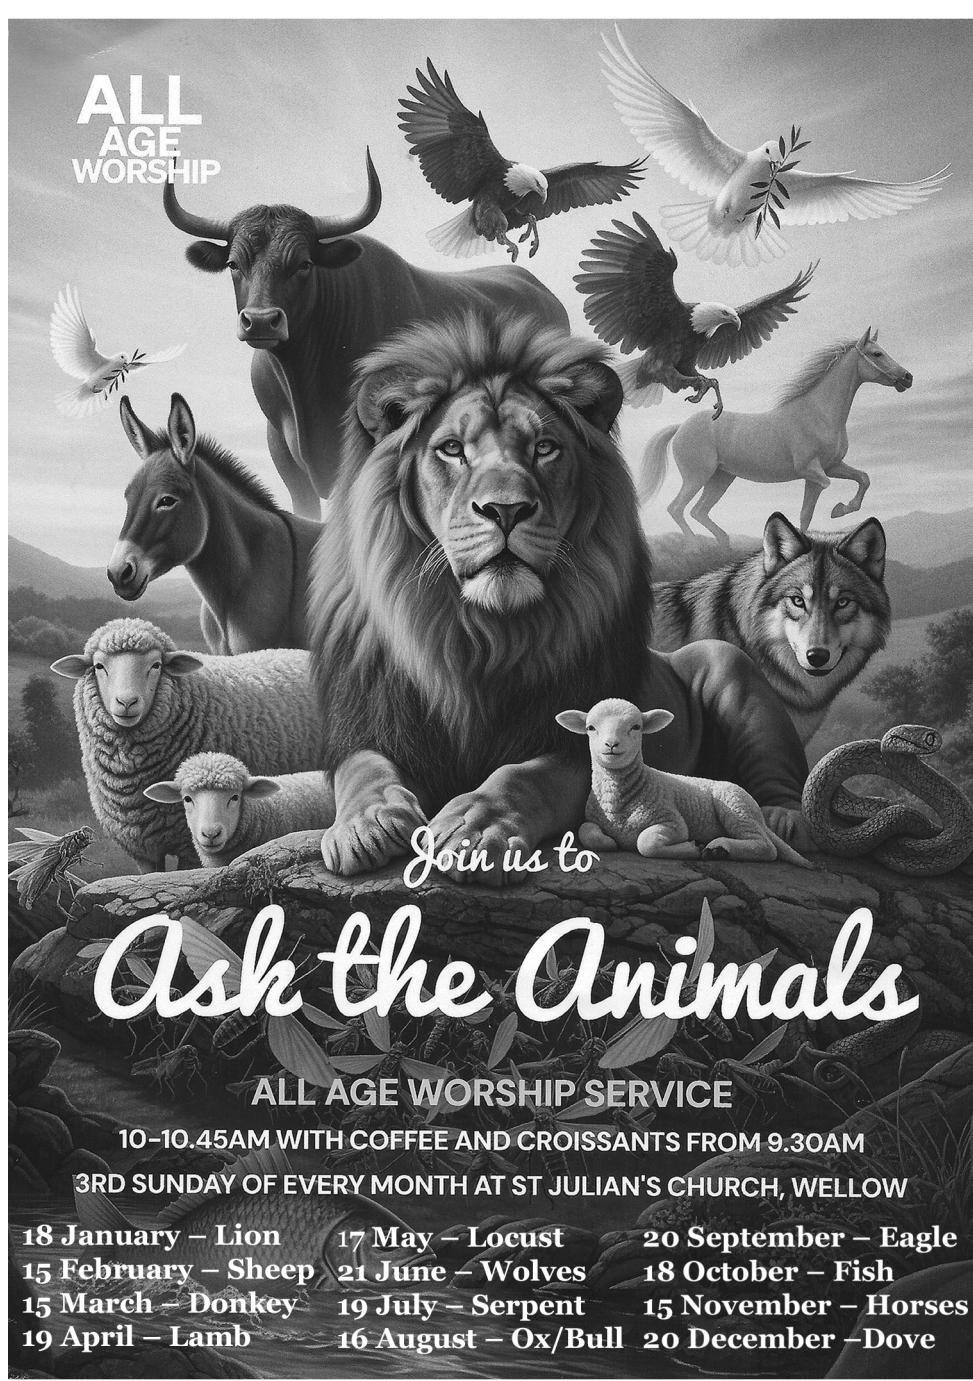

## Change of date! Energy Forum and Buffet evening

Parishioners from Peasedown, Wellow and Shoscombe areas are invited to a free evening of open discussion about community owned renewable energy on a NEW DATE: **Wednesday 25 February 2026**, 6pm to 8.30pm at The Hive, Bath Road, BA2 8DH. Please remove the original 21st January date from your diaries, if you had saved it!

There will be a free vegetarian buffet from 6pm, then the Forum from 6.30pm to explore options for local energy projects, hear technical advice and share community priorities.

This event is part of Energy in Your Community, a project helping local people explore and develop renewable energy projects that bring direct benefits to their area. Supported by Bath & North East Somerset Council, Bath & West Community Energy, the Centre for Sustainable Energy and the University of Bath, the shared aim is to deliver 5MW of community owned renewable generation across the district by 2030.

18 October – Fish

15 March – Donkey

19 July – Serpent

15 November – Horses

19 April – Lamb

16 August – Ox/Bull

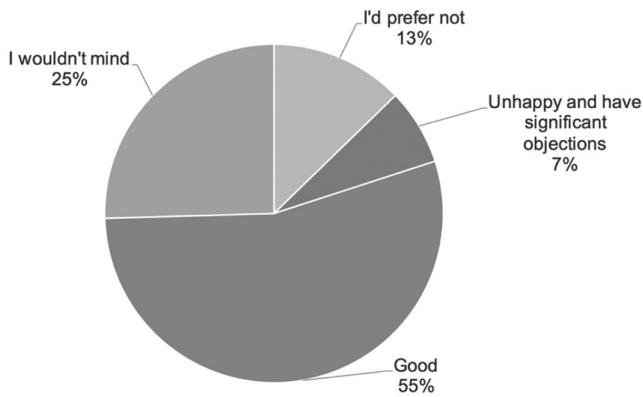

20 December – Dove

# WELLOW VILLAGE SHOW

Our thanks to those who responded to the poll. The result is :

The Show organisers think it would be beneficial to move the Village Show to a Sunday in July. How do you feel about this?  
In 2026 this would be Sunday 12th July.

We received 4 “Unhappy ..” responses. Three opposed the move to Sunday on religious grounds, and one of these opposed the change to July. The fourth comment was “*It is the Wimbledon finals!!!!*”.

We received many other interesting and useful comments which we'll take on board.

With 80% in favour, please put the date in your diary – the 2026 Village Show will be on Sunday 12<sup>th</sup> July. We hope to see you there!

Many thanks  
The Village Show team

# Please Help Local Endangered Amphibians

Populations of common toads, frogs and newts are declining rapidly in the UK. Thousands are killed on roads each Spring as they migrate to the breeding ponds they have used for generations.

## CAN YOU SPARE SOME TIME TO HELP OUR TOADS & FROGS CROSS A ROAD ?

- Our local rescue group saves approximately 2000 amphibians each year from being killed by vehicles on their migration route to and from their breeding grounds in Tucking Mill Lane.
- We greatly need more volunteers to patrol on mild wet evenings in February and March.
- You can take part as little or as often as you like. Although, if possible, a regular once a week commitment would be very helpful.
- Volunteers patrol in teams of 2 or more on a shift system for approximately 1.5 hours between dusk and 9pm in Tucking Mill.
- Short training, hi-vis and answers to your questions are provided.
- All volunteers must meet the insurance policy criteria. Apologies, but the insurance scheme restricts patrollers to adults only. Everyone is required to complete a Patrollers form.
- You will need warm clothes, a bucket, a good torch, and non latex gloves.

**Interested? Please respond ASAP but no later than 12th January 2026 to the Amphibian Rescue Group co-ordinators Lyndi, Sue and Patrick at [tuckingmilltoads@gmail.com](mailto:tuckingmilltoads@gmail.com). Thank you for your help in advance.**
