Wellow Parlour Shop Christmas Order Form, 2025

Our little Parlour Shop is one of the oldest community shops in the country, having continuously operated since 1997. We are indebted to our range of wonderful volunteers and staff who work together throughout the year to keep the shop open for the benefit of everyone in Wellow, and the surrounding area.

Christmas is a key time of year for the shop, and a small army of volunteers is mobilised to process, package and price orders – they give up their time so that we can all collect a range of quality, locally sourced goods, in one place, at the same time. However large or small, we encourage you to place an order and in so doing, support your community shop. Thank you, and whilst it is a little premature, Merry Christmas!
